Think About This...

“Think about this. Wrap your minds around it. This is serious business, rebels. Take it to heart. Remember your history, your long and rich history. I am God, the only God you’ve ever had or ever will have, incomparable, irreplaceable. From the very beginning telling you what the ending will be, all along letting you in on what is going to happen, assuring you I’m in this for the long haul, I’ll do exactly what I set out to do.” Isaiah 46:8-10

❖ The first successful cast-iron plow, invented in the United States in 1797, was rejected by New Jersey farmers under the theory that cast iron poisoned the land and stimulated the growth of weeds.

❖ In Germany it was proved by “experts” that if trains went at the frightful speed of 15 miles per hour, blood would spurt from the travelers’ noses and passengers would suffocate when going through tunnels.

❖ Commodore Vanderbilt dismissed Westinghouse and his new air brakes for trains, stating, “I have no time to waste on fools.”

❖ Those who loaned Robert Fulton money for his steamboat project stipulated that their names be withheld for fear of ridicule were it known that they supported anything so “foolhardy”.

❖ In 1881, when the New York YWCA announced typing lessons for women, vigorous protests were made on the grounds that the female constitution would break down under the strain.

❖ Men insisted that iron ships would not float, that they would damage more easily than wooden ships when grounding, that it would be difficult to preserve the iron bottom from rust, and that iron would deflect the compass.

These are but a few examples of challenges put in the way of folks who ultimately were able to stretch themselves beyond that which most people believed to be true. It is my experience that in those times, God often shows up in some really incredible ways. In this present age, it has become increasingly easy to be pessimistic about every opportunity. Remember, in the end, new life wins. I remain excited about the new life already evident in our church, and anticipate that God has even brighter things in store for us. May we keep the faith as we witness to these things.

Stay warm,

Pastor Clark

The morning will start at 9:30 with a continental breakfast and fellowship followed by the 10 am program. Everyone is welcome and we hope that you will join us.

Just a reminder that UMW is still collecting Acme register tapes. A percentage of your purchases will fund UMW Mission. A labeled box is in the coat room. Any receipts dated September 21 to February 6 count — and the last day to turn them in is March 1. Thank YOU for your support!

Boy Scout Sunday, Feb. 9

Boy Scout Troop 175 invites the congregation to enjoy a Pancake Breakfast of Appreciation between worship services on Scout Sunday. Scouts will prepare and serve breakfast for which there is no charge (donations accepted.)

Join us in our celebration of Scout Sunday and all of the ways that Scouting provides fun, fellowship, and training to youth in our community. Scouting emphasizes honesty, self-reliance, and respect. Through a year-round program, it affects character, citizenship, and personal fitness.

We congratulate all the kids and volunteers who are active in Scouting throughout Northeast Ohio and want to offer a special prayer and word of the thanks to the leaders and members of Boy Scout Troop 175, which is 90 years old and chartered to Brecksville United Methodist Church since 1942.

Mark your calendar for March 9—Girl Scout Sunday!

If you haven’t been able to make it to Pizza with the Pastor because of it’s later hour, The Evangelism Committee invites you to come enjoy Pancakes with the Pastor Feb. 9! The next Pizza with the Pastor will be Sunday, March 16 at 12:15 pm.

Church Decorating

A very small group decorates our church for all the holidays, and they could use your help! Please call the church office 440.526.8938 or email office@brecsvilleumc.com if you can lend a hand. Thank you!
What If? Adult Sunday School News

Throughout the month of January we have been Going Deeper on Sunday mornings. We have turned our hearts and minds towards the task of our own spiritual development. Under the wonderful leadership of various teachers we have focused on priorities, prayer and outreach. We also took a week to look at our place within the greater story of our church. Next Sunday, February 2, we will wrap up our series with our final class—What if… where we will explore what could happen if we committed ourselves to each other in small groups. Join us to give your thoughts and ideas about the sorts of small groups you might be interested in seeing form at BUMC!

Lenten Study

The Awakening of Hope by Jonathan Wilson-Hartgrove tells us that faithful action is always inspired and sustained by common beliefs – which have sustained God's people throughout the generations. Join together with your faith family in this church-wide study where we explore the stories of the earliest Christians and ask the question 'why?' Why do Christians eat together? Why do we fast? Why do we make promises? These are the questions that help us see why the stories matter. We will explore seven ancient practices and explore core truths to learn what it means to build community among believers by nurturing our faith which leads us to action. Books will be available for purchase beginning February 9 with classes beginning on March 9 and continuing throughout Lent.

Godly Play is on Hiatus

News from the Education Department

There has been a significant change to our Sunday School Program. The Godly Play program, which focuses on preschool and Kindergarten aged children, has been suspended due to low attendance. Godly Play is a wonderful and effective use of storytelling that introduces young children to the people, events and lessons of the Bible. We have been so fortunate through the years to have a dedicated team of talented teachers committed to teaching it. We are so disappointed to have to make this decision, and pray that it’s only temporary. If you have a child or grandchild who is in preschool or kindergarten we will have other options available on Sunday morning.

- Bible story time in the crib room which will be appropriate for any child – ages three, four or five. If you would like to volunteer as a storyteller during the 10:00 hour please let Jenny know.

- If your child is in Kindergarten and has some experience with Sunday School or a Children’s Church program you may want to consider our Rotation Program. We are opening up our combined 1st and 2nd grade rotation program for these children to join. Rotation is taught in a classroom setting as the children do skits, play games, conduct science experiments and create culinary delights that help them learn a particular Bible story. The children stay focused on the same Bible story for 5 or 6 weeks and learn it from different teachers using different learning styles.

Would you like to spend time with the younger folks in our congregation? We are always looking for loving and caring volunteers to help in the Crib and Toddler room on Sunday mornings. If you would like to help you can log onto www.signupgenius.com/go/4090845A5A72CA57-crib3 to sign up or contact Jenny Gee: 440-526-8938. You will need to be up to date on your Child Protection Policy training, but Jenny will happily assist you with that.

As people of faith, we find God’s presence in those who have been blessings to us. At our weekly Staff Meetings, we recently lifted up the following people in prayer, thanking God for them and the way they touch the lives of others. Folks like Don and Robin Raybuck, whose generosity allowed us to send a devotional booklet to every church family during our stewardship campaign; and Kathy Holmes who jumped in to help in the nursery on Sunday morning, and has been such a big help with Music with a Mission and the YSP Plant sale. For all of you, and for all of the ways you serve, we are thankful!
