

MISSIONS COMMITTEE MEETING MINUTES
March 21, 2007

Present at meeting: Craig Kotnik, Donna Sibits, Shirley Paulovcin, Judy McCrodden

Craig opened the meeting at 7:40 p.m.

Checks went out to Kairos Ministry and Berea Children's Home.

Craig researched The Council for Refugee and Immigration Services and found that in addition to doing school kits, welcome baskets, and shoe collections, a monetary donation is always welcomed. The Council is affiliated with Church World Services. The committee decided to donate \$500.00 to this group.

At the last meeting Karen talked about a mission project that the United Methodist Church and Sports Illustrated are working on called Nothing but Nets. The committee decided to donate \$500.00 to this group.

It was also decided to donate \$320.00 for 2 camperships to the Near West Side Partnership.

Craig reported that the Board of Global Ministries supports a Methodist Guest House in Haiti. The BGM website lists specific needs.

It was decided to pass information on to Koinonia regarding Beacon Street to see if they want to use Beacon Street this year. It's possible we could do a donation if they are.

A visit from the Schellers is still being worked on.

Craig shared thank you notes from Cleveland Christian Home, Fischer House, Berea Children's Home, Wycliff, and the Schellers.

Next meeting will be April 18th at 7:30 p.m.
