

Church and Society

Meeting Minutes
April 22, 2007

Present: Mark Hobzek, Kendall Lancaster, Elinor Rowan, Harry Wilson

It was decided that the Coffee in the Parlor discussions will not be held during the summer months and that these discussions will resume Monday, September 3, 2007. The last discussion this fiscal year will be 6:30pm, May 7th, with Mark Hobzek facilitating the topic on the Military Draft.

Additional suggested topics for the Coffee in the Parlor are hospice services, grief/loss, cell phone useage, AIDS prevention and the UMC Global AIDS ministry.

For the committee in the new fiscal year, it was suggested that ways be found to bring older adults and younger members in our congregation together in order for elders to share their wisdom and learning about life with teenagers and young adults. Lisa Drew has been contacted about this idea and will think more about it over the summer.

Dave Lienert has been appointed as the new chairperson for the Church and Society Committee for the fiscal year beginning July 1, 2007.

Our next scheduled meeting will be held Sunday, August 19th following the worship service at a location to be determined.
