Reviewed minutes of April meeting.

I will contact Pastor Karen regarding new member classes in September and be sure we are assisting as required with these proposed classes.

We called Mary Kotnik at her home and signed up for a number of open slots she had to help with baking and booth duty for UMW booth at Brecksville Home Days.

Greeter staffing is going well.

Visitor bread and letters is ongoing, completed visitor bread list through end of August.

Softball team is wrapping up first year with only a couple dates left. This has been a lot of fun and some fantastic fellowship. We have not won many games but have had a very good season in other ways. I hope to continue this next year and will be working with the league and our congregation as time for next years season comes around.

Next meeting scheduled for August 20. No July meeting scheduled. At the August 20 meeting we will work on new member assignments and welcome new members to the committee.

Closed with prayer.
