In attendance: Bob Lundholm, Karen Walburn, Penny Lienert, Karen Thielman, Catherine Vastartis

First discussion was on greeters, going well. Marilyn has greeters in place through end of April at this time.

Visitation is going well.

Visitor bread and welcome bags. We still have a supply of the welcome bags we prepared. Completed visitor bread list through end of June. Bob will continue to do follow-up letters for visitors.

Worship committee has asked us to help with fellowship (coffee) after second service in April. We will do three of the four Sundays in April, assuming these are held due to worship potentially being in Fellowship Hall if Sanctuary renovation is in process. Bob to confirm with Worship.

April 6, Marilyn and Karen W  
April 13 or 20, Karen T and Penny, will advise.  
April 27 Karen W and Bob

Reviewed Budget, refreshments for coffee hour could be a budget item.

Discussed what was going on with Transitional Task Force and advised that body will continue through probably year end.

Discussed possible change with formation of a "Hospitality Team" which would include ushers, greeters and others. This May be under Worship but as a team. More to come on this.

Pastor Karen has advised there will be no new member class in March, maybe later in Spring. At that time we will assist, our thoughts are that maybe holding the class somewhere besides the parlor as that room and its location relative to the Congregation between services may be a distraction. We will keep track of this and assist as requested.

Discussed the potential new Church in Broadview Heights and advised this does not look at probably at this time.

Penny brought us some ideas for welcoming, she will get copies for discussion at our next meeting.

Bob closed with prayer.

Next meeting April 21.
