

BRECKSVILLE UNITED METHODIST CHURCH

Worship Committee

July 28, 2009

7:30 Present: Cathy Buttolph, Joy Fenton, Bev. Huber, Jane Petrie

Jane opened the meeting with the mission statement.

Greeters: It was discussed how many greeters we want at the doors. We decided 2 in front and one at each back door. Bev will get greeters for the month of August and September.

Survey: Jane introduced the form for the survey for worship and gave some sample questions that could be used. We discussed how to get the questions so they included all aspects of worship. There will be a meeting on August 3rd at 7:00 with Joy, Cathy, and Bev. To get the survey done so it will be able to go out in the October Good Word. We chose that time because we will have been into fall schedule and people would have clearer picture of our worship service to answers the questions.

Prayer Concerns: Discussion on how to get prayer concerns out so the congregation can have easy access to them. No conclusion was decided on. Joy is going look into this.

Organist: Joy reported that she has not at this time found an organist for us. However, if one is not found before we start the fall schedule she has sub that will be willing to play for us.

The next meeting will be held August 24th.
