

## MINUTES FOR WORSHIP

AUGUST 24, 2009

**PRESENT:** Brenda Calovini, Joy Fenton, Bev Huber, Karen Oehl, Sharon Manocchio

Pastor Karen opened with a prayer.

The Minutes of July were read and approved.

**BUDGET:** The committed discussed the budget for next year and decided to keep the amount at \$600.00. We have \$282 left in our budget for this year.

**CHURCH SURVEY:** Joy reported on the questionnaire that Jane and she have been working on. She past the questionnaires out to the committee for us to look over and to make any changes that we thought was important. We decided add a statement about the restrooms. Changed the wording from sound to music to the statement of how people feel with noise level. The committee approved the questionnaire and will have this send out in the October Good Word.

**GREETERS:** Bev discussed with the committee concerns about getting greeters for the back doors. Suggestion was made that we should emphasize it as ministry to the church in helping especially new people feel welcome.

**CAPTAINS:** Karen is working on finding additional captains for each service.

**USHERS:** Karen reported that the ushers will be meeting quarterly instead having them come to our meetings. By them meeting separately there is more input from them in what is happening.

Karen reported about Betsy leaving and how much involvement she has brought to children in worship. Karen is open to any new suggestion that new director might be involve with to enhancing children in worship beside what Betsy has already started. During the interim time a part/time director will be hired from our congregation.

Brenda closed with a prayer.

Meeting was adjourned at 8:40 pm  
Next meeting is Sept. 28<sup>th</sup> at 7:30 pm
