- Looking to improve the sound system. Jane will meet with an acoustic company called Sound Com System Friday, October 30th to see the cost of have one installed.
- Update our hearing assistance device.
- Help the congregation with the intent behind our two worship services.
- Many other areas of the survey were discussed and many suggestions were given. However, many of the suggestions will have to be presented to other committees in our church.

ADVERTISING: Jane suggested we place an ad in the Plain Dealer to advertise our church. The cost is about \$70.00 to run for four weeks. This suggestion will have to be considered at a later date due our budget situation.
