Jane opened the meeting with thoughts from My Dailey Creed.

Minutes were read and approved.

SOUND SYSTEM: Jane and Joy had a meeting with Sound.Com System regarding our sound system. The company has not given an estimate of how much a complete new sound system will cost. Jane went to the trustees meeting that it is something we need to consider in the long range plan of updating our sanctuary for better sound.

HEARING AIDS: The Company stated they could replace our old hearing aids with new ones. Jane went to Gifts and Memorials to find out if there was possibly to receive money to purchase these new hearing aids. Gifts and Memorials granted us up to \$2,500 for purchase of these hearing aids. Jane reported that we could purchase 8 hearing aids for total package of \$1700.

Marisol presented a motion that we purchase the hearing aids. Cathy Buttolph seconds the motion.

The motion was voted on and passed.

THANK YOU: Comments were express to Marisol and Carol Wilson for the lovely job of redecorating our foyer of the church. This will be greatly appreciated by congregation and visitors who come to our church.

COUNCIL OF MINISTRIES: Jane reported that Nov. 29th is the Brecksville Christmas Parade. A youth who is working toward his Eagle Scout Badge present his project of collecting can goods for the City Food Bank. Boxes will be made available in the church to leave your can goods off. FELLOWSHIP TIME: The issue of not having enough fellowship time was discussed since we switch to the new time. Kathy Auble recommended at the beginning of a new rotation we have extended time in fellowship hall between service and class. Also there may be other times that we have special fellowship time though out the year. We decided Dec. 27TH we could have special coffee hour after the service since there will only one service. Joy is going to look into for this Sunday.

SURVEY: Discussion about the survey and since people took the time to fill them out that we should look into how to get the most information from them to make our church seem welcome. It was decided to break up into small groups and meet outside of the regular meeting. The following groups were formed:

Kathy Buttolph and Marisol – Building and Grounds survey

Jane & Jeff – Environment & Aesthetics survey

Brenda, Linda, Bev – Worship & Music, Warmth & Welcome survey

We come to the January meeting with the figures and what we think is important to take to the proper committee.

COMMENTS FROM JOY: Reminded us of the Advent service on Wednesday night Dec. 9th at 7:30.

She reported that the concert on Nov. 14th was well received.

Cathy Buttolph closed with a prayer.

Meeting adjourned at 9:50 pm
