

## **BUMC Youth Board Meeting Minutes**

September 13, 2011

**In Attendance:** John Dietrich, Cristy Shumaker, Matt Dietrich, Michelle Shively, Michael Lee, Sean Lundholm, and Judy McBride

### **Financials:**

Our 2010-2011 budget of \$4250 has approx. \$2500 remaining.

### **Administrative:**

- The Sunday school curriculum for the youth will be "Ancestors from the Old Testament."
- Cristy was asked to encourage our church youth to help at the Sept. 17<sup>th</sup> church rummage sale. Help is needed to carry out heavy or bulky purchases as well as to sell hot dogs. Unfortunately, many of our youth are involved in a band festival that day.

### **Fellowship Events:**

- During the month of October, our Youth Board is responsible (set-up /clean-up) for Coffee/Fellowship time before Sunday school. If every board member takes one set-up or clean-up time, it should work out so no one has to do it twice.
- Sunday, Oct. 9 will be a Project 1:8 Pump Up and Lazer Xtreme event from 2:00-6:30 pm for our middle & high school students. Orchard Path youth will be invited, too.

### **Missions/YSP:**

- As for possible future youth mission fundraisers, board members mentioned the Rock-a-Thon event usually held in early December. It has been popular with the youth and the funds are used for a different mission each year (e.g., mosquito nets).
- The Mission Fair is scheduled for January 8, 2012.
- Cristy is checking into possible service opportunities for our middle schoolers. Many volunteer opportunities have a minimum age.

### **Weekly Opportunities:**

- Cristy held the high school youth group kick off. Attendance was good.
- EPIC is planned for our senior high students on the 2<sup>nd</sup> and 4<sup>th</sup> Sunday evenings.
- Sunday 9/18 will be a middle school youth group kick-off.
