Youth Ministry Plan

Youth Board needs to work with Staff Parish Relations Cte.(SPRC) to create a strategic plan (or vision) for the permanent Youth Director position. The old job description from 12 years ago cannot be found. John Dietrich handed out sample youth ministry program strategies. He asked Youth Board members to look them over and be ready to discuss this at the December meeting. Youth Board needs to have a finalized plan for SPRC by late January.

NEXT meeting – December 13, 2012

*There was no Youth Board meeting in October 2011.
